Re: 2023-2024 Award of Kidwiler-Dolan Memorial Scholarship

The aforementioned scholarship is administered by the Lacey South Sound Chamber of Commerce for students planning to enter the private or free enterprise system (meaning, one in which private business owners operate competitively with minimal government interference) upon completing their post-secondary studies. (This is not a scholastic scholarship.)

The scholarship is named in honor of Ray Kidwiler and Gene Dolan. Ray Kidwiler was a founding member of the Lacey Chamber of Commerce and served two (2) years as President in 1963 and 1964. Ray was a great believer in education for young people and felt that any student deserving further education upon graduating from high school should be able to obtain it. After his death, Mrs. Ray Kidwiler established, through the Lacey Chamber of Commerce, the Ray Kidwiler Scholarship fund in 1972 in memory of her husband. The name was changed to honor

Gene Dolan, also a founding member, who was Chair of the committee from its inception until he stepped down for health reasons in 2010.

The last year scholarships and grants were awarded, a total of \$11,500 were awarded to eleven graduates of a high school within the North Thurston Public Schools. The scholarships are available for use by the recipients for formal study at an accredited college, university, technical or vocational school during the 2024-2025 school year.

To be considered for the award, each applicant must:

1. Be a member of the 2024 graduating class of his or her high school.
2. Submit a high school official transcript, which must include grades from the first semester of the senior year.
3. Submit a one page essay, type written, double spaced. The essay will delineate applicants educational and career goals and how these goals relate to the private or free enterprise system. The essay will also give the applicant's view of why it is important to preserve the private enterprise system as part of our nation's economic structure.
4. Complete the attached application form which highlights
 - Post-high school education plan
 - What you have done or are doing to prepare for this financial commitment

Completed application documents are to be submitted on or before April 15, 2024 to the counselor of your respective high school. The application documents must be in the office of the scholarship committee representative, Michael Harris at the Chamber office, 3925 8th Ave. S., Suite C, Lacey, WA 98503 on or before April 22, 2024.
